ABACHINA

design edmondo testaguzza

Piccole sfere di vetro soffiato, ancorate alla struttura metallica a parallelepipedo, rimandano ad un'attività ludica e allo scorrere delle palline sul pallottoliere.

Little spheres of blown glass, secured to a rectangular metal frame, a reference to games, reminiscent of beads sliding along an abacus.

ABACHINA

LO

Nilo

design matteo ugolini

Un caldo pomeriggio di mezza estate, Sassocorvaro uno dei tanti magici borghi italiani e il suo fiume. Risveglio di rumori, profumi, grida felici e di quelle spensierate giornate passate con gli amici a giocare tra lo scorrere dell'acqua e quelle buffe e tanto decorative piante acquatiche.

A warm mid-summer afternoon in Sassocorvaro – one of the many magical Italian villages – and its river. The awakening of sounds, scents, happy shouts and carefree days spent playing with friends, between the running water and those funny ornamental water plants.

XANA

Xana

design edmondo testaguzza

Dal mito asturiano.
Sono le fate o ninfe delle acque.
Si possono incontrare nelle notti di solstizio d'estate.
Il loro canto irradia di bellezza l'animo gentile.
Xana è seduzione, archetipo, presagio di ogni bene.

*Inspired by the Asturian myth,
these are the fairies and water nymphs
you encounter on long summer nights.
Their song radiates beauty into your soul.
Xana is seduction, originality, and a good omen.*
